

HELPFUL HINTS

January 2009

MENU PLAN? To avoid duplicates — We need to know in advance which category describes the meal you are planning to serve: **Beef, Breakfast, Chicken, Chinese, Italian, Mexican, Pork or OTHER. No Pizza!**

WHAT IS IN A "MEAL"? Main dish – please provide an alternative for about 4 vegetarians.

4 gallons of 2% or skim milk (2 can be chocolate — when it is gone they drink white),

Vegetable or salad side dish Consider bringing a tray of cut fresh veggies and dip if no other veggie/salad is your thing.

OPTIONAL Dessert – one to two servings each. Feel free to add other items that you want to service (e.g. rolls or garlic bread).

TIMING FULL TEAM meals need to be set up and ready to serve by **5:30 p.m.** You can arrive to set-up anytime after school but definitely **no later than 4:30.**

ADVANCE TEAM MEALS serve at **6:00 on Tuesdays and Thursdays. At 6:30 on Friday nights.** arrive no later than 5:00 Tu & Thu, and 5:30 on Friday. **Saturday lunches** serve at **11:00 a.m.**

SET-UP Exact location TBD — most likely PET LAB. Wipe down tables w/ anti-bacterial wipes (available in the RUSH closet). There is an odd assortment of serving dishes and utensils at school — it may be safer to bring whatever your meal requires. There is electricity for plugging in warming plates, crock-pots etc. Set up buffet style. OK to put a sign for "how many" a person can have if you have determined a limit. To save time pre-cut desserts, pre-pour cups of milk.

PAPER PRODUCTS: Your choice. Bring your own or "go green". There are dishwasher safe cups, plates, bowls, silverware on the shelves in the loft. We have over 100 place settings. If you use these — you need to take home, wash and return within two days. Bring napkins.

CLEAN UP Have team captains (Devon or Josh) set aside plates for late arriving mentors. Students help w/ clean up! Recycle. Leave left over desserts. Either take milk home or put in the fridge. Wipe down tables. Offer food to janitors if they are around and you are so
